"Keeping Eyes on the Skies"

The Warren Astronomical Society is a 501(c)(3) non-profit organization of amateur astronomers serving the Metro Detroit area. We meet twice monthly indoors for presentations about astronomy and once a month under the stars for observing. Members and the public are invited to attend these events.

Monthly meetings

First Monday @ 7:30pm
Cranbrook Institute of Science

Third Thursday @ 7:30pm
Macomb Community College
South Campus- Building J/Library

Observing

Fourth Saturday at dusk
Stargate Observatory
(located on 29 Mile Road
in Ray Township)
